Part 1- Nominee Qualifications

Be as specific as possible, use another sheet if necessary.

1. List the ways this individual has contributed to the recovery community that qualifies him/her for this award.
2. Aside from volunteer or service work, are there other ways this individual has contributed to, or advocated for, recovery in our community?
3. How would you describe this individual as a person and what type of qualities do they possess that warrant this recognition?
4. List any professional designations, licenses, certifications or awards for this individual.
5. Does this person work in the substance abuse/mental health field? If so, what do they do and for how long?
6. Is there anything else you would like to add about this nominee?

Feel free to include this individual's resume and any written references from their peers.

If the nominee's primary contribution has been as a volunteer without compensation in the substance abuse and/or mental health field, please submit a nomination for the Spirit for Recovery Award.
